

# Invitation

## Research and Innovation Week

25 - 29 May 2026

Muckleneuk and Science Campuses

Catalytic Thinking. Transformative Outcomes

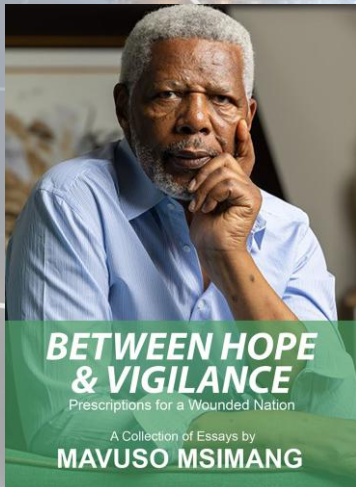

**UNISA PRESS**

25 May 2026 | 10:00 – 13:00

Bamboo Hall, Kgorong Building, Unisa Muckleneuk Campus

Join leaders who ignite transformation, catalyse and inspire action. Reflect on South Africa's past, critically engage with the present political developments and contribute to actively shaping ideas for the country's future.

Facilitated by inspiring speaker and radio personality: Mr Wandile Dladla

**BOOK LAUNCH**

BETWEEN HOPE AND VIGILANCE

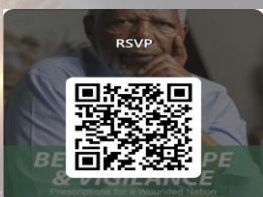

By MAVUSO MSIMANG

***“Why This Book Matters Now”***

This book serves as a both a mirror of the past and a roadmap for the future —sparking dialogue and inspiring critical engagement.

Reflect. Engage. Shape the Future.

**RSVP**

**Define tomorrow.**
